

Ministry Documentation Program

Thank you for your interest for Ministry Documentation through PowerHouse Ministries! PHM is based on relationship with Jesus Christ, believing the things He taught, and putting faith into action.

The PowerHouse Ministries Documentation Program was birthed for the purpose of training, activating, and mobilizing emerging leaders to the forefront of Christian evangelism. We are always looking to invest in people who desire to represent Him and His ways through the call of God upon their lives and their corresponding spheres of influence. We are relationally and spiritually producing disciples for the Harvest. This program assists us in recognizing and endorsing up-and-coming, as well as established, ministers that have been through the training tracks of PHM and *labor among us while they are being launched into other outlets of opportunity as God presents.*

The PHM Ministry Documentation program is designed to move as quickly or as slowly as one's schedule coincides with one's desire for ministry participation. Curriculum is designed to cover a basic bible foundation with **concentration on training and activating life in the Spirit.** It is through the involvement of other various leaders and ministry spokesman that we are able to offer the variety of courses that we do. These courses include but are not limited to "Understanding and Activating ... Prophetic Ministry, Dreams and Visions, Deliverance Ministry, Healing Ministry (physical and emotional), One's Destiny & Assignment, Worship, Understanding and Responding to the Holy Spirit, Relational Boundaries, and Basic Christian Fundamentals for Activating Ministers and Ministries.

A total of 150 completed hours of training is required for each level of Ministry Documentation (*Certification, Licensing, & Ordination*). Homework is due for classes not attended in person. Cost of each credit hour is \$7.50 x 150 hours = \$1,125 (*course cost for each level of documentation*). **Class cost applies only to those desiring ministry documentation, otherwise PHM classes are offered to the public free of charge.** A non-refundable application fee of \$25 payable to PowerHouse Ministries, Inc. is due at the time of application submission. \$100 deposit due within the first 30 days. If full tuition is submitted instead, (non-refundable), you will receive a \$100 discount. If a ministry student cannot afford the class credits, but longs to learn, classes are free to monitor. In such case, class credits would later be applied when the student has the available funding.

I am excited at the thought of your advancement in the knowledge and understanding of the Word and the power of the Spirit. *The way we respond to our development process will greatly contribute to determining our point of release.* Once we've learned what God desired to teach or impart, then His release is sure to follow. ***Your release is your opportunity for increase.***

May you recognize that your significance is in who God created you to be. May you seek to release the potential He has stored up in you for His greater purposes!

With great anticipation I look forward to seeing you in class!

*Yours ... for Him,
Dr. Sandy Powell*
